VINE TO WINE *program*

CREATE YOUR OWN
CUSTOM BARREL OF WINE

We are the only vine to wine program on the North Fork of Long Island's Wine Country. We provide the equipment, knowledge & premium grapes to help produce the best wines possible.

- Join us in the vineyard for educational viticulture sessions learn about pruning practices, bud break, leaf pulling, organic & sustainable farming practices that lead us to the Fall Harvest
- Grape selection & hand harvesting on the vineyard in Cutchogue NY, crushing & destemming then begin the fermentation process
- Few weeks later, grape pressing & barrel filling
- Several months later, learn how to clarify & stabilize wines in preparation for bottling
- Wine Appreciation Class
- We Provide you with your own Personal Label, great for special occasions, gifts or corporate events
- End the season with bottling, corking & label what we anticipate to be another award winning wine
